# Dégagé 11

(dé·ga·gé adjective 1. unconcerned or unconstrained; relaxed.)

---

Introducing Dégagé by Lellan, a complete DigitalCanvas™ standalone piece designed to easily create instant impact in a space. Dégagé 11 is preconfigured with eleven SmartTiles and mounted to a backboard. The package comes with the Lellan Powerbox 500 and Smarthub and ten pieces of dynamic content. Like all DigitalCanvas™ products, Dégagé can be controlled with any device or PC and the user can change content, including creating their own individual art with the touch of a button.

*Ideal for retail, galleries, hotels, spas, salons and residential spaces.*
